Re: *Progeny LMS, LLC Petition for Rulemaking to Amend Part 90 of the
Commission's Rules Governing Location and Monitoring Service to
Provide Greater Flexibility, RM-10403.*

Oral ExParte Presentation

Dear Ms. Dortch:

On Wednesday, May 4, 2005, I met with Sam Feder, legal advisor on spectrum and international issues for Chairman Kevin Martin, and Fred Campbell also of the office of Chairman Martin, on behalf of Progeny LMS, LLC ("Progeny") to discuss issues relevant to the above-captioned petition. The meeting was held to refresh the record in the instant proceeding and to discuss questions relating to Location and Monitoring Service ("LMS") in the 902-928 MHz band. Progeny has filed a pending Petition for Rulemaking that seeks additional flexibility for M-LMS, which shares the band with other licensees and users of unlicensed devices under Part 15 of the Commission's rules.

In accordance with Section 1.1206(b) of the Commission's Rules, please accept this original and one copy for submission.

Respectfully yours,

Janice Obuchowski
